

SL-60W

Price: PKR 33,000

Key Features

- 60W daylight COB LED (5600K)
- High CRI >93, accurate colors
- Bowens mount, 10–100% dimmable

Complete Description

The SL-60W is a high-quality daylight LED light suitable for studio and video work. Its COB LED provides consistent and bright lighting at 5600K, and the high CRI ensures accurate color rendering. The Bowens mount allows attachment of various light modifiers, and dimming from 10% to 100% gives precise control over lighting.
