

# Mini 12 Dual Wireless Microphone System

**Price:** PKR 19,000

## Key Features

- Dual Wireless Microphones
- Comes with Charging Case
- Supports Android Type-C & iPhone Devices

## Complete Description

The Mini 12 Dual is a compact wireless microphone system designed for two-person recording. Each transmitter features a wireless microphone, providing clear audio for interviews, vlogs, or online content creation. The system includes a convenient charging case, allowing you to charge the microphones on the go.

With support for Android devices via Type-C and iPhone compatibility, this system is versatile and user-friendly, catering to a wide range of mobile recording setups.

## Additional Highlights

- Reliable wireless connection with stable audio transmission
- Lightweight and portable for field recording and mobile use
- Easy setup suitable for beginners and content creators
- Ideal for YouTube videos, TikTok, interviews, and podcasting
- Compact design for travel and mobility
