

Samsung 256GB

Price: PKR 8,000

Key Features

- Read Speed: 100MB/s
- Write Speed: 90MB/s
- Water & Shock Proof

Complete Description

The Samsung 256GB memory card is a high-capacity and reliable storage solution for photographers, videographers, and everyday users. With read speeds of 100MB/s and write speeds of 90MB/s, it provides efficient data transfer and smooth performance for capturing high-resolution photos and Full HD video.

The card is designed to withstand harsh conditions, offering water and shock-proof protection. This ensures your important files remain safe, whether you are on outdoor adventures, traveling, or shooting in challenging environments.

Additional Highlights

- Suitable for Full HD video recording and high-resolution photography
- Durable design for outdoor and professional use
- High-capacity storage for extended shooting sessions
- Compatible with cameras, smartphones, tablets, and other digital devices
- Compact and portable design
