

Canon EOS 3000D — Product Detail Sheet

Price: PKR 119,999

Product Overview

Model: Canon EOS 3000D

Short Description:

The Canon EOS 3000D is an entry-level DSLR designed for beginners and photography enthusiasts. It offers improved autofocus and shooting speed compared to the 2000D, with a clear rear LCD monitor and Full HD video recording.

Detailed Description:

The Canon EOS 3000D features reliable image quality with its APS-C sensor and DIGIC 4+ processor. It supports 1080p video at 30 fps and offers enhanced autofocus for capturing fast-moving subjects. The 2.7-inch rear LCD screen makes framing and reviewing images easy. Lightweight and user-friendly, it's ideal for those starting their DSLR journey or upgrading from compact cameras.
