

Godox V1

Price: PKR 47,500

Key Features

- 76Ws output
- LED modeling lamp
- 1.5s recycle time

Complete Description

The Godox V1 features a round-head design that provides natural light spread similar to studio strobes. With 76Ws output, an LED modeling lamp for previewing lighting, and a fast 1.5s recycle time, it is suitable for event, portrait, and studio photography.
