

SanDisk Ultra 64GB

Price: PKR 6,500

Key Features

- Read Speed: 120MB/s
- Full HD Video Support
- Class 10 Speed Rating

Complete Description

The SanDisk Ultra 64GB memory card is a reliable and high-performance storage solution for photographers, videographers, and everyday users. With a read speed of 120MB/s, it ensures fast data transfer and efficient performance for capturing and transferring photos and videos.

This memory card supports Full HD video recording, making it ideal for capturing high-quality video content without interruptions. Its Class 10 rating guarantees consistent performance and reliability for both still photography and video recording.

Built to endure, the SanDisk Ultra is resistant to water, temperature, shock, and X-rays, ensuring your data is safe even in challenging environments.

Additional Highlights

- Ideal for smartphones, cameras, and other digital devices
- High-speed performance for large files and multimedia
- Durable and reliable under extreme conditions
- Compact and portable design
