

Extreme Pro 128GB

Price: PKR 12,500

Key Features

- Read Speed: 170MB/s
- Write Speed: 90MB/s
- 4K UHD Ready

Complete Description

The Extreme Pro 128GB memory card is designed for photographers, videographers, and tech enthusiasts who require high-speed and reliable storage. With a read speed of 170MB/s and a write speed of 90MB/s, this memory card ensures fast data transfer, efficient recording, and quick file access.

It is 4K UHD ready, allowing users to capture high-resolution video without frame drops or buffering. The Extreme Pro is built with durable materials to withstand harsh conditions, including water, temperature, shock, and X-ray exposure, making it suitable for professional and outdoor use.

Additional Highlights

- UHS-I/U3 Speed Class for professional-grade performance
- Ideal for 4K UHD video recording and high-speed photography
- Durable and reliable in extreme conditions
- Compatible with cameras, drones, and camcorders
- Compact and portable design
