

AU-SH01 Headphone Shockmount

Price: PKR 4,500

Key Features

- Universal Fit for Most Headphones
- Elastic Suspension for Noise Isolation
- Lightweight and Comfortable Design

Complete Description

The AU-SH01 headphone shockmount is designed to provide enhanced audio isolation and comfort during recording or monitoring sessions. Its universal fit ensures compatibility with a wide range of headphones, while the elastic suspension system reduces vibrations and handling noise.

Lightweight and ergonomic, the AU-SH01 allows extended use without discomfort, making it ideal for studios, streaming setups, podcasting, and professional monitoring. It ensures that external noise is minimized, providing a focused listening experience.

Additional Highlights

- Reduces vibrations and unwanted mechanical noise
- Comfortable for long-duration recording sessions
- Durable and sturdy construction for reliable use
- Easy to attach and adjust to different headphone models
- Suitable for professional and home studio environments
