

Canon EOS 2000D — Product Detail Sheet

Price: PKR 90,000

Product Overview

Model: Canon EOS 2000D

Short Description:

The Canon EOS 2000D is an entry-level DSLR for beginners. It offers high-quality imaging, manual controls, and 4K UHD video — perfect for hobbyists and learners upgrading from smartphones or compact cameras.

Detailed Description:

The Canon EOS 2000D delivers vibrant, detailed photos with its APS-C sensor and DIGIC 4+ processor. It supports 4K UHD video recording and allows creative experimentation with aperture, shutter speed, and ISO settings. Lightweight and user-friendly, ideal for photography enthusiasts starting their DSLR journey.
