

# Manfrotto MB NX Camera Bag

**Price:** PKR 19,000

## Key Features

- Slim Design
- Tablet Compartment
- Padded Dividers

## Complete Description

The Manfrotto MB NX camera bag is a sleek and compact solution for photographers who need a stylish yet functional bag. Its slim design makes it ideal for daily commuting and travel while providing enough space to carry a DSLR or mirrorless camera along with essential accessories.

A dedicated tablet compartment adds versatility, allowing you to carry a tablet safely alongside your camera gear. Padded dividers inside the bag provide customizable storage, keeping your equipment organized and protected.

## Additional Highlights

- Lightweight and comfortable to carry
- Adjustable padded compartments for camera and lenses
- Compact and easy to carry in urban or travel settings
- Durable construction for long-lasting use
- Ideal for street, travel, and casual photography
