

YN-565 II

Price: PKR 13,500

Key Features

- TTL support for automatic exposure
- 24-105mm zoom head
- Ultra-fast 1/30000s flash duration

Complete Description

The YN-565 II is a versatile speedlight for DSLR cameras. TTL support enables automatic exposure adjustments for optimal lighting, while the zoom head covers focal lengths from 24mm to 105mm. With an ultra-fast flash duration of 1/30000s, it is ideal for freezing motion in portraits and action photography.
