

VEO Select 41 Camera Bag

Price: PKR 21,000

Key Features

- Quick Side Access
- Multi-Format Design
- Padded Straps

Complete Description

The VEO Select 41 camera bag is designed for photographers who require quick and convenient access to their gear. Its unique side-access design allows you to retrieve your camera and accessories rapidly without fully opening the bag, ideal for fast-paced shooting scenarios.

The bag features a multi-format design that can accommodate cameras, lenses, and accessories of various sizes. Padded straps ensure comfort during transport, even with heavier loads, making it suitable for daily use, travel, and outdoor photography.

Additional Highlights

- Padded and adjustable compartments for secure storage
- Compact yet spacious for professional and casual use
- Durable construction for long-lasting use
- Suitable for DSLR, mirrorless, and accessory storage
- Lightweight and easy to carry
