Stage Strobe 1500W

Price: PKR 20,000

Key Features

• 1500W strobe

· Adjustable brightness and speed

• Replaceable lamp

Complete Description

The Stage Strobe 1500W is a powerful lighting tool ideal for stage, studio, or event photography. Its high wattage ensures bright and consistent light output, while adjustable brightness and flash speed give you full creative control. The replaceable lamp feature makes maintenance easy and extends the lifespan of the unit.
